

Join the Cleveland Park Email List

The Cleveland Park email list is a place where you can exchange news about the neighborhood, including new stores, street construction, city services, robberies and break-ins, traffic, parking, red light running, stuff for sale, places for rent, where to eat, schools, and more.

And it's not just for Cleveland Park—all neighbors are welcome!

Need a recommendation for a roofer? A place to take out-of-town relatives for dinner? Want to let everyone know about your yard sale? Do you want to get the message out about a street that's blocked off because of construction? Or do you want to let your neighbors know about a nearby magnolia tree that's in full bloom? That's what the Cleveland Park list is all about.

The Cleveland-Park email list (www.cleveland-park.com) is for Cleveland Parkers who want to know what's happening in our neighborhood. Cleveland-Park is a great way to quickly pass along the word about important (and maybe not-so-important) neighborhood events.

The Cleveland Park email list is Washington's most vibrant electronic community.

To subscribe, send a blank email to cleveland-park-subscribe@yahoogroups.com or visit www.cleveland-park.com. You can modify your subscription at any time. The Cleveland Park email list is spam-free.
